MEMORANDUM FOR THE SPECIAL AGENT IN CHARGE:

DECLASSIFIED BY SP12 BT/808
ON 9/9/94 APP 93-0562

RE. JEAN TATLOCK; DAVID HAWKINS;
Internal Security - C

see
100-18383

This office was confidentially advised by the Office of Military Intelligence, Presidio, San Francisco, that the latter office has conducted a surveillance of Dr. J. ROBERT OPPENHEIMER, which was commenced on June 12, 1943. (Dr. OPPENHEIMER is in charge of experiments at the Radiation Laboratory, University of California, Berkeley, but is presently out of the state on a confidential assignment for the Laboratory).

As a result of the above surveillance it was noted that on June 13, 1943 OPPENHEIMER made a telephone call to EVERgreen 1887. He did not get the number, looked up the street address in the phone book, and then left the place where he had made the call. Subsequently, it was ascertained that this phone number is listed in the name of DAVID HAWKINS, 242 32nd Avenue, San Francisco, and that the phone was disconnected on May 14, 1943.

On June 14, 1943 OPPENHEIMER was noted to take a Key System train from Berkeley to San Francisco, arriving in San Francisco at 9:45 PM. Upon leaving the train he rushed to meet a young lady whom he kissed, and they walked away arm in arm. It was noted that they entered a 1935 green *Plymouth coupe, *License 25G194, and that the young lady drove. This license is registered to JEAN TATLOCK, 2200 Post Street, San Francisco, which is the address of the *MT. ZION HOSPITAL. JEAN TATLOCK is described as:

HEIGHT	5' 7"
WEIGHT	128
HAIR	Dark brown, long
BUILD	Slim
AGE	28.
	Attractive.

SAN FRANCISCO

~~Secret~~

OPPENHEIMER and the above young lady drove to Powell and Broadway in San Francisco and entered the XOCHINILCO CAFE, 787 Broadway, at 10:00 PM. This is a cheap type of combination ^{bar} cafe, and dance place which appears to be operated by Mexicans. OPPENHEIMER and this girl had a few drinks and something to eat. They left the above described place at 10:50 and drove to 1405 Montgomery Street, entering an apartment on the top floor on the north side of the building. The mail box on the entrance of the building indicates that DAVID THOMPSON and JEAN TATLOCK lived in this building.

At 11:30 PM the lights in the above mentioned apartment were extinguished. From then until 1:00 AM no one left and it is believed that OPPENHEIMER and the young lady had retired. It was noted by those conducting the surveillance that the phone number for JEAN TATLOCK is listed as SUTTER 0169. The relationship of OPPENHEIMER and JEAN TATLOCK appeared to be very affectionate and intimate.

On June 15, 1943 at 8:30 AM OPPENHEIMER and the young woman came out of the house located at 1405 Montgomery, San Francisco, and entered the green Plymouth coupe, License 25G194. The young woman was apparently JEAN TATLOCK. OPPENHEIMER left her at 8:50 AM and boarded the Key System train for Berkeley.

At 6:50 PM on June 15, 1943 OPPENHEIMER was at the office of the UNITED AIRLINES in San Francisco, at which time the girl previously described as JEAN TATLOCK appeared on foot and OPPENHEIMER rushed to meet her. They appeared very affectionate and walked to where her car was parked in the 400 block on Mason. They then went to KIT CARSON'S GRILL at 395 Geary Street, and upon leaving there drove directly to the San Francisco Airport. At the Airport OPPENHEIMER met JOSEPH WILLIAM KENNEDY, and the two men boarded a plane for Los Angeles at 8:50 PM. JEAN TATLOCK left the two men at 8:40 PM.

The Office of Military Intelligence has requested the Federal Bureau of Investigation to conduct an investigation concerning both JEAN TATLOCK and DAVID HAWKINS, who were contacted by OPPENHEIMER while he was in San Francisco.

The files of the San Francisco Field Division concerning DAVID HAWKINS were checked. The only file reference under this name was 99-32-344. This file contained the criminal records of employees of the SHELL DEVELOPMENT COMPANY, among which is a record for HERSCHEL DAVID ETHINGTON. ETHINGTON, among others, has used the aliases Dave Hawkins, David Hawkins, and David Edward Hawkins. These aliases were used by ETHINGTON in Salt Lake City, and he is not believed identical with the subject.

The Communist Party indices of the San Francisco Field Division reveal that DAVID HAWKINS resides at 242 32nd Avenue, San Francisco, telephone EVERgreen 1887.

On March 4, 1943 LOUISE BRANSTEN called DAVE HAWKINS, asking if HAROLD BROWN could stay with him the following night. DAVID HAWKINS agreed. (X) u

FOIA(b)(7) - (D)

[] advised that BERNADETTE DOYLE and STEVE NELSON were talking on October 15, 1942. At this time NELSON asked BERNADETTE DOYLE how he could get in touch with HAWKINS at the University of California Philosophy Department, as he should be notified about getting ready for a meeting. (X) u

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

On April 29, 1943 [] advised that in conversation with LOUISE BRANSTEN, RALPH GUNDBLACK stated that DAVID HAWKINS was apparently attached to the University of California faculty, and might be available to go to Sacramento with the DILWORTH BILL PRESSURE CLUB. (X) u

OIA(b)(7) - (D)

On March 31, 1943 an unknown woman called "PHIL" and said she was responsible for HAWKINS not being at the meeting as he was not notified in time. This information was obtained from [] (X) u

The Communist Party indices further reflect that DAVID HAWKINS is married to FRANCES HAWKINS. Concerning FRANCES HAWKINS, [] advised she was a member of the Communist Party in Alameda County but was later transferred to San Francisco County. Her transfer number was T867050, and she is apparently a member of the Professional Section. On the same date, October 27, 1942, [] advised that HARRY OWENS informed BERNADETTE DOYLE that "HATTIE" told him that FRANCES HAWKINS was paid through July, and that she was being transferred to San Francisco; and that FRANCES HAWKINS is a "Professional" and is being transferred from Alameda, Section 3. On May 4, 1943 [] advised that Mrs. HAWKINS called the PEOPLE'S WORLD and asked to have her paper stopped until she gets settled at her new address. (X) u

Concerning JEAN TATLOCK, the files of the San Francisco Field Division make the following references to her:

61-55-9, entitled "SUBVERSIVE ACTIVITIES; HARRY ROW, Complainant"—An article appeared in the PEOPLE'S WORLD for January 29, 1938 wherein it was stated an ambulance had been bought with money contributed by professors and students at the University of California. The ambulance was to be sent to Spain to aid the Loyalist cause. The University of California group which raised the money was under the auspices of the East Bay Chapter of the MEDICAL BUREAU TO AID SPANISH DEMOCRACY. Among those in this group were J. S. P. TATLOCK, ROBERT A. BRADY, HAAKON M. CHEVALIER, and Dr. J. ROBERT OPPENHEIMER.

100-13307-4, entitled "FRANK RAYMOND PERKINS"—This serial indicated that Dr. TATLOCK (female), was an associate of Dr. CASSANAN, psychiatrist, and was interviewed by an officer of the San Francisco Police Department in an investigation of subject FRANK RAYMOND PERKINS.

61-369-72—reflects that Dr. JEAN TATLOCK is a subscriber to the PEOPLE'S WORLD.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

The Communist indices of the San Francisco Field Division reflect that Dr. JEAN TATLOCK, 2665 Shasta Road, Berkeley, was a PEOPLE'S WORLD subscriber as of September 23, 1941 and June, 1942.

[redacted] advised on October 29, 1942 that Dr. TATLOCK was a subscriber to the PEOPLE'S WORLD.

On March 20, 1943 [redacted] advised that EDITH JENKINS told DAVE JENKINS that JEAN TATLOCK's telephone number is Sutter 0169. (As previously stated, this number is listed to JEAN TATLOCK, 1405 Montgomery Street, San Francisco.) The San Francisco Street Address Telephone Directory lists the following as residing at 1405 Montgomery: (X)

RICHARD S. LAWRENCE, Sutter 5653;
JEAN TATLOCK, Sutter 0169;
Mrs. DAVID THOMPSON, Douglas 3530.

There is also a non-published phone at this address. The Communist Party indices list an EMIL GEIST at this address, and it is believed it is his phone which is listed as a "non-pub". GEIST is a subscriber to the PEOPLE'S WORLD as of March 6, 1941; September 23, 1941; and June, 1942.

[redacted] advised on October 22, 1942 that EMIL GEISS (believed identical), collected over \$25 in the PEOPLE'S WORLD drive. [redacted] also has information concerning GEIST. (X) W

There was no record in the Communist Party indices concerning RICHARD S. LAWRENCE.

With regard to DAVID THOMPSON, [redacted] advised on May 26, 1939 that he was chairman of a meeting of the Abraham Lincoln Brigade. THOMPSON was also a subscriber to the PEOPLE'S WORLD as of September 23, 1941 and June, 1942. He is listed in the indices as Literature Director for the North Beach Section of the Communist Party, San Francisco, as of July 16, 1942. [redacted] identified him as a Communist Party member with the Garibaldi Branch, as of October 4, 1942. On August 20, 1942 DAVID THOMPSON was identified as a member of the McNamara Branch of the North Beach Section. It should also be noted that there is a case file maintained in the San Francisco office on DAVID THOMPSON, it being file 100-2896. There are also numerous file references concerning him.

It should be noted that this office does not maintain case files on DAVID HAWKINS or JEAN TATLOCK. In view of the fact that the Office of Military Intelligence has requested this office to conduct investigations concerning these individuals, it is requested that separate case files be opened on these two individuals on the basis of this memorandum. This investigation should be made with a view to determining if there is any connection between either DAVID HAWKINS or JEAN TATLOCK, with the case entitled "COMMUNIST INFILTRATION IN RADIATION LABORATORY, UNIVERSITY OF CALIFORNIA, BERKELEY".

Respectfully submitted,

MEMORANDUM FOR THE FILE:

Re: JEAN FRANCES TATLOCK
Custodial Detention-C
100-18382

Reference is made to the memorandum of Special Agent Augustus F. Schermerhorn dated June 23, 1943 in which it was suggested that background information be developed regarding the above mentioned individual.

On June 28, 1943 Miss L. Capps, Clerk in charge of the California Department of Vocational Standards, Board of Medical Examiners made available to the writer the records of the subject that are maintained in San Francisco. These records showed the subject to have been graduated from the Stanford University of Medicine on June 15, 1941 and to have been licensed to practice medicine in the state of California on August 27, 1941. The birthdate of Dr. Tatlock was shown to be February 21, 1914. From the record shown, she apparently did her interne work at Children's Hospital, San Francisco.

Miss Capps advised that there is in the possession of Frederick N. Scatena, Secretary-Treasurer of the Board of Medical Examiners of the State of California, 1020 N Street, Sacramento, California, a four page written application which the subject executed at the time she applied for permission to take the examination for a medical license in the state. This application, according to Miss Capps, would contain much background information concerning the subject such as schools attended, place of birth, hospitals with which she has been associated, complete physical description (together with a recent photograph), and other items.

It is suggested that the information contained in this application be secured in order that additional leads may be had to develop further background information concerning the subject. It is also suggested that an effort be made to secure a copy of the photograph attached to the application for inclusion in this file.

WOMAN PSYCHIATRIST OF S.F. DROWNS SELF IN BATHTUB

In "an apparent suicide by drowning," according to police, Dr. Jean S. Tatlock, 29, San Francisco psychiatrist and daughter of Dr. John S. P. Tatlock, University of California professor of English, was found dead in a water-filled bathtub in her San Francisco apartment yesterday.

A stack of pillows had been carefully arranged about the rim of the tub. The head was submerged in the water, Deputy Coroner Harold Honore said.

Dr. Tatlock found the body after climbing in a window when there had been no response to the door and to his telephone calls from Berkeley the past two days.

LEAVES NOTE

The woman physician left an incoherent note. This was the only sentence entirely legible:

"I am disgusted with everything." Professor Tatlock declared that when his daughter visited his home at 1560 Euclid Avenue, Berkeley, recently she appeared despondent,

but he could attribute no direct cause for a suicide. He told Deputy Coroner Honore that as far as he knew, her work at Mt. Zion Hospital was highly commendable. She had promised to telephone him last Tuesday, he stated.

BODY MOVED

The coroner's office was summoned by a private mortuary, after the latter had been called by Professor Tatlock. In his apparent shocked condition, Professor Tatlock had started a blaze in the fireplace of his daughter's apartment, 1405 Montgomery Street, on Telegraph Hill, and then had removed the body from the bathtub to a couch, Honore declared.

Police stated Dr. Tatlock told them the papers he had burned included photographs and private correspondence belonging to his daughter.

Dr. Tatlock was well known in university circles on both sides of the Bay and was destined for an outstanding career in the field of psychiatry, according to friends.

There was previously maintained in this office a filing system using 3" by 5" cards, on which was placed information from highly confidential sources, trash covers, surveillances, confidential informants, and technical sources on persons involved in Communist activities. Those cards referring to such activity on the captioned individual are now being placed in the case file of the above subject, or into the 100-0 file.

These cards are to be reviewed at the time the next report is prepared on this subject and the references noted on these cards are to be individually and specifically recorded on the regular memorandum prepared accompanying each report.

The 3" by 5" cards are then to be destroyed by the supervisor upon the submission of the next report. Extreme care should be utilized to be certain that no references are destroyed without recording them in the individual case files. (X)

The cards pertaining to the above subject are either:

- See (4)*
- (X) 1. Stapled to this memorandum;
 - (X) 2. Maintained in the 1-A exhibit envelope; or
 - (X) 3. Have already been listed hereafter and the cards destroyed.

If the cards have been destroyed and the references from the cards are listed below, this list of references should be checked against previous memoranda prepared accompanying previous reports to eliminate duplicate research in reporting activities of this subject. Those references not previously listed in memos and reported in a report should be included in the next report.

In the system utilized in this office during the past six years, certain alphabetical symbols were given to various exhibits or sub-files, such as [redacted] etc. The data contained therein generally represents material obtained at various times from highly confidential sources. These exhibits are now being made sub-files or exhibits to appropriate files and an explanation as to their meaning and present file number is set forth as follows:
